Dear Shooters:

Here are the match results for the BORCC April IDPA Match. There were a total of 29 shooters. I thought this was a high turnout considering it was Easter Sunday. This was a serious oversight on my part. It was the first time the IDPA match had ever fallen on Easter. I did not catch the significance until a week before the match (Palm Sunday). It was too late to cancel at that late date. The breakdown was 12 shooters in both SSP and ESP. Two each in CDP & ESR; leaving one lone shooter in SSR. BORCC's own Mike Gorbitz headed up SSP and turned in the lowest overall match time. Another one of BORCC's favorite sons Jack Cleminshaw was the top shooter in CDP and second overall for the match. No surprise to find Bill Woods the top shooter in ESP coming in 4th overall for the match. Honorable mention goes to Pete White heading up the ESR division and claiming 7th overall for the match. The significance of this: Pete out shot a whole bunch of semi auto shooters (including me) and he had to do a lot more reloads to accomplish this.

Course design was challenging. Too much kneeling for an old person like me, but aside from this I thought the stages were very good. I did hear some complains about long shots. My take on this is: Distance is my friend. I can pop them at 25 yards; hopefully they can't hit me at 15 yards.

I had some difficulties reading everyone's handwriting. If I misspelled your name, next time write more legible. I wish to thank the setup staff; you did a great job. I apologize for not being there to help. It was Saturday and warm which usually means I have food inspections to perform. Some of my co-workers were on vacation. I had to cover two territories in addition to my own. I will get back at them during deer season.

Our next match will be the first Sunday in May on the 2nd. I just checked the calendar to verify this is not Mother's Day. Mother's Day is on the 9th so we are good to go. I hope everyone had fun at the match and look forward to seeing you next month. If you new shooters want some coaching sessions give me a call. We can go out and do some practice before the May match.
