Dear Shooters:

Here are the match results for the BORCC May IDPA Match. There were a total of 26 registered shooters. Six of which loved the stages so much they decided to shoot a second time bring the total to 32 competitors. The breakdown was 15 shooters in SSP, 5 CDP, 8 ESP, and two each in SSR & ESR. Jeff Hire headed up SSP and turned in the lowest overall match time. Dan Gipe was the top shooter in CDP and 5th overall for the match. ESP found Lee Fisher turning in the lowest time and placing 6<sup>th</sup> overall. Two seniors did battle in ESR (old people like old guns) with Tom Albrecht slightly besting Tom Schwenk. Honorable mention goes to Randy Ciesiolka having the lowest time on Stage 2 and placing 8<sup>th</sup> overall with a stock wheel gun. Way to go Randy.

Course design was challenging with a lot of missed head shots and many holes in the hard cover. A few of the no shoot targets also received collateral damage. Stage 2 had a new twist. Perform a reload with retention and later in the stage, reload the firearm with the partial magazine. I like it and suspect we will see more of this in future stages. This is street tactics.

The earth work on the outdoor pistol bays is completed. It rained Friday night and the disturbed and graded soil rapidly turned into a quagmire. The Saturday setup crew made a superior decision to hold the match indoors (and that was before it rained all Sunday morning). We are optimistic the outdoor range will be ready for occupation for our next match which will be the first Sunday in June on the 6<sup>th</sup> (D-Day). The new pistol bay 1 (the combined old bay 1 & 2) is gigantic. The bay is almost as wide as Omaha Beach though not as deep.

A reminder: we do not hold an IDPA match in July. It always falls on the Fourth of July weekend. The club will be hosting the mid states area ICORE Match the weekend of July 17 & 18. This is a revolver only match and two firearm donated by Smith & Wesson will be awarded at this match by random drawing. In previous events, first time shooters have gone home with a new bullet launcher. If you own a revolver (or know someone that will loan you one), you need to come to this match.

The staff at BORCC hope you enjoyed or little match and decide to make the first Sunday of the month a scheduled visit to our range.
